## Description

**Aleddra's** Corn Light is design to replace E26 medium base and E39 mogul base metal halide lamps. With efficacy greater than 120 lm/w, it provides 70% energy savings over MH bulb. More importantly, it lasts five time longer, which means 80% saving on maintenance labor costs.

This LED Corn Light lamp operates with 110 to 277V AC line voltage without any ballast. Wattage ranges from 27W to 125W. Different models are available for pendant mount, side mount, and post-top mount.

The default color options are 3000K, 4000K, and 5000K. It comes with 5-year/30,000-hour warranty, whichever comes first. It is UL certified and LDL (Lighting Design Lab) listed.
