

Specifications

Wattage	500W
Color Temp.	5000K
CRI	70
Input Voltage	AC100-277V/240-480V
Operating Temp.	-22°F to 122°F
SMD Type	Lumileds2835
Efficacy	160 lm/w
Dimming Control	1-10V/DMX /DALL
Light Distribution	30°, 45°, or 80°
Surge Protection	10KA (or 20KV) built-in
Warranty	5-year

Features

- Excellent thermal management for superior system stability and longevity
- Intelligent dimming
- Solid state design and easy to install
- IP66 rated
- Maximum light output and minimal energy consumption
- No electrical interference
- Laser aiming devices (optional) for angling and aiming each sport light to its exact optimal position
- 5-year warranty

Product Compliance & Certifications:

- UL Listed
- DLC 5.1

Description

The G2 IP66-rated Sports Light is a cost-effective and high performance option for various applications such as arenas, stadiums, gymnasiums, airports, and more. It has rugged solid state design which means nothing to wear out or replace, providing maintenance-free operation for hundreds of thousands of hours.
